Time allotted | 5 | **Agenda topic** *Testing and integration* | **Presenter** *Eric*

Discussion: Testing will start today.

It was questioned whether we should be testing the whiteboard if it isn't fully integrated and refactored yet. It was decided to push it back into refactoring. Its now complete and is ready to be pushed to dev.

The contracted handler from the other group has been sent through so now that can be tested and integrated.

Conclusion: Closing
