

Agenda for Meeting 40

Google Team Meeting - 01/06/2020

1. Preliminary Notes

We are no longer logging hours - you're free now :)

2. Meeting Agenda

Presentation - Submitted!

Questions will be sent back to me later today.

After receiving the questions, I will let people know and we will get in a meeting.

This afternoon or tomorrow morning? (24 hour deadline)

Individual Reports

Thank you to everyone on meeting the internal deadline we set.

Eric and Dan have some extra time due to exploratory testing.

I will read through and comment throughout this week.

Well done to Eric and Dan on the testing!

HTML

We need to update/add a few more docs to the HTML and we're finished.

Add a photo of the maven test result?

Final Submission

I will be submitting everything on Wednesday.

Repo needs to be frozen.

3. Closing Notes

That's it for SwEng!
